ANNUAL NEWSLETTER

GOVERNMENT COLLEGE OF ENGINEERING DHARMAPURI

VISION

The institution envisions for itself a place among the technical institutions in the country by offering quality engineering education, laying stress on imparting knowledge with social responsibility and technical skills with respect for natural resources and encouraging holistic development of the heart and the mind of its students.

MISSION

To impart quality technical education with emphasis on knowledge and skills. To encourage and nurture the academic potential and personal development of its students and faculty members. To offer an environment of growth, team work and commitment to the professional growth of its students.

I am happy that GCE, Dharmapuri is bringing its third news letter. I appreciate the Faculty members and Students for their effective work, it improves the Academic, Placement and Sports. Slowly we are moving towards our vision. I happily welcome all the newly promoted Associated Professors who are posted in GCE, DPI. We have become stronger with those scholarly professors. I applaud Ms. Ambiha, AP/ English and her team members for their fruitful effort in bringing this news letter.

Dr.V.SUMATHY
Principal

Dr.V. Rajkumar

Vice principal,
GCE-Dharmapuri

“

It is a matter of pride to pen down the message for the third edition of the news letter of Government College of Engineering, Dharmapuri. My heart fills with immense pleasure as I perceive the gradual progress made by this Institution since its inception. The college has been striving towards maintaining high academic achievements, discipline, placements and excellence in the field of engineering studies.

Education is not just about the subjects that are learnt and to entitle job. It is a lifelong exercise that can be exciting if we jump into the train of experience and make a trip to every conceivable place on the earth.

Creativity and Imagination make the engineers rise up in their career as productive professionals.

Words of the greatest Scientist Albert Einstein aptly speak of the scenario prevailing in the Institution

“Students are not meant to be taught, instead create conditions for them to learn”

The environment in the campus is congenial for learning and it is upto the students to take the full advantage of the opportunities and exploit their potentials with the help of dedicated team of faculty striving hard to provide the students with the latest knowledge and skill that would help them to stand out in this fiercely competitive world.

I wholeheartedly congratulate the humanities faculty and the students' team behind the success of this new letter. Keep the good work going. My best wishes always...!!!!

Thank You

Editor's Desk

"Excellence is not a destination. It is a continuous journey that never ends"

- Brian Tracy

It gives me an immense pleasure to edit the third newsletter of GCE, DPI. Every life in this earth does something continuously to prove its existence. And The Knowledge Industry thrives with the active participation of its stakeholders. The students and staff especially in an Engineering College have to perspire and persevere to improve themselves, and the society coupled with other animate and inanimate things. This has become even more challenging for the stakeholders to have a firm foot in their respective fields because of the tremendous use of Artificial Intelligence invariably in all Engineering fields. So it gives a sort of happiness to document the activity and development of so many individuals and groups of our college.

It is the current requirement that a university education should not only cultivate the student but also equip the student for employment. In that sense, it is a very happy thing to see that so many students got placed. Further the college has an active entrepreneurship cell, a space to prepare students for competitive examinations, a space to express and feel worthy by exposing their talents outside through clubs and associations, a space to make them create and also a space to extend helping hands to do meaningful work for the society in the form of planting saplings, donating blood etc. Apart from placements, paper presentations, patents, internships, industrial visits and other curricular activities, the college has made a feasible platform for a holistic life catering to the inner self by giving a large importance to yoga, and physical exercises.

At this juncture, I thank the Principal and the Vice Principal for giving this opportunity to edit this newsletter. And I thank my counterpart in editing Ms. Narmatha, Assistant Professor of CSE, various HoDs and their staff members for providing the details from their concerned departments. And a special thanks to the students designing team headed by Praveen Kumar P. of III CSE and assisted by Harishankar M. of III CSE and Nandha Kumar R. of I ECE

FETRA 23'

DEPARTMENTAL FUNCTION

A National level Technical Symposium FETRA 2K23 was conducted on 17th April 2023. The chief guest was Mr. A. Prakasam, a Sub-Divisional Engineer at BSNL. The symposium offered a diverse range of opportunities for knowledge-sharing and skill development. Participants eagerly participated in competitions, engaging in friendly yet fierce academic challenges. The successful completion of these events highlights the symposium's commitment to promoting innovation, advancing knowledge, and nurturing the talents of the next generation in the field. In conclusion, through insightful presentations, interactive workshops, and engaging discussions, participants gained valuable insights, learned new skills, and discovered innovative approaches to address complex challenges. The symposium provided a platform to showcase cutting-edge research and technological advancements, inspiring attendees to explore new frontiers in their respective fields.

"cadence eda design tool training" PROGRAM

Two days Training program on "CADENCE EDA DESIGN TOOL" was conducted from 27th April 2023 to 28th April 2023 at VLSI Laboratory. The Resource Person was Mr. V. Navaneethakrishnan, Senior Engineer, Entuple Technologies, Bangalore. The programme was coordinated by Mr.A.Vinod AP,ECE and the no.of Participants were 42 and Faculty members. The Objective of the workshop is to provide a platform to learn the tools and techniques needed for the development of VLSI design for teaching and learning. It aims to provide the knowledge and skills needed for students and faculties to cater to the present day learners and their learning styles. The participants were able to know about the Full Custom and Semi Custom Design Flow and Hands on Training was also provided. Introduction to the Resource person was given by Mr.M.Vijayakumar, Assistant Professor, ECE. The Resource person covered the topics such as Design specification and RTL coding, running the basic synthesis flow, and running the ATPG flow in Modulus test.

26 & 27 FEBRUARY 23'

FINAL YEAR FAMILY'S

Industrial Visit

TO SEABLUE SHIPYARD & IROHUB

The students visited the Shipyard and had a Brief introduction about the facilities. They had a Huge experience on how the waterway transportation is happening and got technical facilities and the power of Engineering, while seeing the massive Ships and their advanced technologies. They had 6 Licensed Slipways and had a Brief introduction about the imports and Exports which are happening on the cochin Shipyards. The visit came to an end at 1.00pm. It was an informative, interesting and successful visit. And they learned how far the technology is growing and the importance of waterway transportation in our Country. Also they gathered a few knowledge about PHP and WEB USING PYTHON. with IROHUB.

Final Year Students (Batch 2019-2023) of the ECE department had an Industrial Visit to SEABLUE SHIPYARD and IROHUB from 26.02.2023 - 27.02.2023. SEABLUE SHIPYARD is located just opposite to the Vallarpadam International Container Trans shipment Terminal and close to Cochin shipyard Ltd., Cochin Port Trust, International Ship repair Complex, Single Point Mooring Project, and International Bunkering Terminal. IROHUB Infotech is the training wing of IROID technologies, a Cochin based global IT solutions provider that has a bunch of experienced professionals in the software industry offers training in IOS , ANDROID and Web Application Development.

PLACEMENT

(2019-2023)

Dheebiga R

2019-23 batch ECE student got placed as Project Engineer Trainee in Econ Systems India Pvt Ltd, Chennai with 5 LPA

Biruntha S

2019-23 batch ECE student got placed as Technical Graduate Engineer in Silicon House, Chennai with 2.5 LPA

Gokulkannan C

2019-23 batch ECE student got placed as System Engineer in TCS.DIGITAL with 7 LPA

Mithun Srinivasan S

2019-23 batch ECE student got placed as Trainee Engineer in Jasmin Infotech, Chennai with 3.75 LPA and Trainee Engineer in AtDXT, Bangalore with 3 LPA

Sopana R

2019-23 batch ECE student got placed as Trainee Engineer in AtDXT, Bangalore with 3 LPA

Bharanikavi

2019-23 batch ECE student got placed as Trainee Engineer in Jasmin Infotech, Chennai with 3.75 LPA

Dourmil Kumar

2019-23 batch ECE student got placed as Trainee Engineer in Jasmin Infotech, Chennai with 3.75 LPA

Aakash A

of 2019-23 batch ECE student got placed as Trainee Engineer in Jasmin Infotech, Chennai with 3.75 LPA

PLACEMENT

(2018-2022)

Manjupriya P

2018-22 batch ECE student got placed as Software Engineer in One Bill Software/ Bangalore with 4.50 LPA and as Assistant System Engineer in Tata Consultancy Services with 3.36 LPA.

Kaviya R

2018-22 batch ECE student got placed as Assistant System Engineer in Tata Consultancy Services with 3.36 LPA.

Boopathi M

2018-22 batch ECE student got placed as Assistant System Engineer in Tata Consultancy Services with 3.36 LPA.

Jayashree J

2018-22 batch ECE student got placed as Software Developer in Ramco Systems, Chennai with 4.00 LPA.

Jensha Angel A

2018-22 batch ECE student got placed as Software Developer in Ramco Systems, Chennai with 4.00 LPA.

Roshini M

2018-22 batch ECE student got placed as Software Developer in Ramco Systems, Chennai with 4.00 LPA.

Vidhya A

2018-22 batch ECE student got placed as Software Developer in Ramco Systems, Chennai with 4.00 LPA.

Vithya K

2018-22 batch ECE student got placed as Software Developer in Ramco Systems, Chennai with 4.00 LPA.

Arif B

2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA.

Ashokkumar M

of 2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA.

Bharath Raj S

2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA.

Divyashree M

2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA.

Jayawardani E

2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA.

Mani Megalai M

2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA.

Priyadharshini K

2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA

Roshini R

2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA

Sneha M

2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA

Sowmiya R

2018-22 batch ECE student got placed as Gen C in Cognizant, India with 4.00 LPA

Balakrishnan G

2018-22 batch ECE student got placed as Trainee Engineer in FINZLY, Chennai with 4.00 LPA

Roshini M

2018-22 batch ECE student got placed as Trainee Engineer in FINZLY, Chennai with 4.00 LPA

Srinivasan G

2018-22 batch ECE student got placed as Trainee Engineer in FINZLY, Chennai with 4.00 LPA

Vasuki K

2018-22 batch ECE student got placed as Software Engineer in HCL Technologies Ltd, India with 4.25 LPA

Sathish Kumar G

2018-22 batch ECE student got placed as Analyst in Capgemini Technology Services India Limited, with 4 LPA

Munivel G

ECE student got placed as Software Engineer in HCL Technologies Ltd, India with 4.25 LPA

Deepa P

2018-22 batch ECE student got placed as Analyst Programmer in Ramco Systems, Chennai with 4 LPA

Sakthivel M

2018-22 batch ECE student got placed as Analyst Programmer in Ramco Systems, Chennai with 4 LPA

Ramalesh T

2018-22 batch ECE student got placed as Analyst Programmer in Ramco Systems, Chennai with 4 LPA

Jenofiya S

2018-22 batch ECE student got placed as Analyst Programmer in Ramco Systems, Chennai with 4 LPA

Pavithra N

2018-22 batch ECE student got placed as Software Engineer in HCL Technologies, India with 4.25 LPA

Suganesh B

2018-22 batch ECE student got placed as Analyst in Capgemini Technology Services India Limited, with 4 LPA

Priyadharshini G

2018-22 batch ECE student got placed as Network Engineer in Siscoon House, Chennai with 3 LPA

Manigandan S

2018-22 batch ECE student got placed as Software Engineer in HCL Technologies Ltd, India with 4.25 LPA and Assistant System Engineer in Ascent Infotech Solution, Chennai with 3.75 LPA

Rubashree G

2018-22 batch ECE student got placed as Software Engineer in HCL Technologies Ltd, India with 4.25LPA

Pavithara N

2018-22 batch ECE student got placed as Graduate Engineer in Renault Nissan Technology and Business Centre India Pvt Ltd with 4.25 LPA

TEKZESTA'23, the Inter College Technical Symposium was held on 25th and 26th of April, had Dr. K. Vijay Kumar, Joint Director of the Centre for Development of Advanced Computing (C-DAC) Chennai, as the esteemed chief guest

PINNACLE Hardware CLUB

The root of hardware was a dominant event conducted by Pinnacle Hardware Club on 10.11.2022. This event was based on components of computers and computer networks. Many students of II year CSE, ECE and EEE were present in the event and gained the basic knowledge about the computer hardware and networking components.

SOFTWARE CLUB

RUNTIME CODERS

The CSE department has initiated Runtime Coders Club on 01.06.2022 to improve the knowledge about software among students.

Mr.K.Prakash, Assistant Professor of CSE is the coordinator and Ganeshkumar M is the student coordinator this club.

Introduction to C Programming was conducted on 03.03.2023, C Programming Variable Scope and the # include <studio.h>

Preprocessor on 13.03.2023, a workshop on Visual Coding on 27.03.2023 and daily programming and HackerRank challenges are given through WhatsApp.

BIS CLUB

INAUGURATION FUNCTION

Inauguration of BIS (Bureau of Indian Standards) club

The BIS (Bureau of Indian Standards) club was inaugurated at GCE, Dharmapuri campus on 15.06.2022. The College Principal Dr.V.Sumathy Ph.D. presided over the function. Mr. A. Rajeev, Standard Promotion officer, Bureau of Indian Standards Coimbatore office was the chief guest. The events happened in the presence of Dr.V.Rajkumar, the Vice Principal. At the end of the inauguration, the winners of the activities were awarded with cash prizes. Prof. S.Nirmalkumar, AP/EEE, Mentor of BIS club organized Inauguration Arrangement.

STUDENT ACHIVEMENTS

DEPARTMENT OF EEE ENGINEERING

Kalaivani D and Reshmisri M of 2019–2023 batch EEE attended "Real Time Simulations of Power Electronics and Power Systems using OPAL-RT Workshop" in College of Engineering, Guindy on 05.05.2022.

Afrin Stefila S and Karthikeyan M of 2019–2023 batch EEE attended "Electric Vehicle Workshop" in College of Engineering, Guindy on 05.05.2022.

Karthikeyan M of 2019–2023 batch EEE attended "Workshop on Automation in Substations" in College of Engineering, Guindy on 06.05.2022.

Afrin Stefila .S, and Anjalidevi.L underwent "Industrial Internship Training on Power System Equipment Manufacturing Process and its Testing" in Voltech Engineers Private Limited, CHENNAI from 14.07.2022 to 11.08.2022.

Ashok Kumar.G underwent "Internship Training Program" in Tamilnadu Generation and Distribution Corporation Limited, METTUR THERMAL POWER STATION-I from 18.07.2022 to 18.08.2022.

Kalalarasan.S, Sendhurvelan.A, Sivakaminathan.P, Thamodharan.S, Vigneshwaran.V, Vasanthakumar.R, Vinay Kumar.A, Aravind P, Dhamodhiran K, Gowtham G T, Tamilvanan

A.P.Jagangokul, D.Vallarasu and M.Thimmaraj underwent "Internship Training in TANGEDCO" in Tamilnadu Generation and Distribution Corporation Limited, DHARMAPURI from 16.07.2022 to 20.08.2022.

Visali M, Shobiya M, Saveetha S, Karthikeyan M, Venkatesan.T, Ushanandhini.T, Tamilselvan.R, Sushmitha.S, Revathy.P, Reshmisri.M, Pradish.A, Pavithra.P, Pavithra.M, Mugesh.R, Manoj.G, Manijeeva.S, Kalaivani.D, Devanika.A, Ezhilarasu.R, Harini.C, Harini.Nand Ilayabharathi.R underwent "Industrial Internship Training on Power System Equipment Manufacturing Process and its Testing" in Voltech Engineers Private Limited, CHENNAI from 14.07.2022 to 11.08.2022

Chandhirasekar.P Chandhirasekar.P, Gokul.U, Gokulraj.M, Gokulraj.D, JeevaVharma.R, Kaarvin.S.K, Kathiravan.T., Kesavan.V, Mahendiran.S, Manikandan.R, Niyathullah.N, Ranjithkumar.K and Sabarivasan.S underwent "Internship Training Program" in Tamilnadu Generation and Distribution Corporation Limited, METTUR THERMAL POWER STATION-I from 18.07.2022 to 18.08.2022.

Arulprakash S, Ajay A, and Jeevandas J underwent "Internship Training Program" in Robolog Automation, DHARMAPURI from 14.07.2022 to 12.08.2022.

Faculty Achievements

department of EEE

Prof. S. Nirmalkumar Assistant Professor

completed NPTEL Online Certification on – “Digital Circuits” (Jul-Oct 2022)- equivalent of 12 Week Course

- attended a Electronics Industry Orientation Programme (EIOP-2022) at VVDN Technologies Pvt Ltd, Pollachi from 25.07.2022 to 29.07.2022.
- attended a two days Mentors Training Program at Chennai from 19.05.2022 to 20.05.2022 by Bureau of Indian Standard, Coimbatore Branch office.
- organized a career guidance program “Career opportunities in Infrastructure Security” by Puviyarasu Nagendiran, Senior Information Security Manager, Standard Chartered Bank, GBS, Chennai, for Final year and III year students of GCE Dharmapuri on 07-05-2022.
- organized the District Employment Office, Dharmapuri sponsored GATE training program for 26 interested students of III year and Final year EEE & ECE from 21.09.2022 to 05.12.2022 at campus premises
- attended a two days faculty development programme on “Robotic Process and industrial automation” conducted by Naan Mudhalvan organized at GCT, Coimbatore from 11.02.2023 and 12.02.2023

Prof. R. Ramamoorthi Assistant Professor

- Attended Five-days Industrial Training Program on “Safety and Security Critical Software” conducted by Directorate of Technical Education, Chennai in collaboration with Guidance, Tamilnadu and LDRA Software Technology from 19.06.2023 to 23.06.2023.
- Acted as a Resource Person, in GOVERNMENT COLLEGE OF ENGINEERING DHARMAPURI, for handling session on “C Programming” from 11.10.2022 to 13.10.2022
- Attended Five days Industrial Training Program on “Safety and Security Critical Software” conducted by Directorate of Technical Education, Chennai in collaboration with Guidance, Tamilnadu and LDRA Software Technology from 19.06.2023 to 23.06.2023.
- Attended Faculty Development Program on “Full Stack Web Development” conducted by Microsoft, SAP & Tamilnadu Skill Development Corporation under TechSaksham from 27.02.2023 to 01.03.2023.
- Attended Faculty Development Program on “Artificial Intelligence” conducted by Microsoft, SAP & Tamilnadu Skill Development Corporation under TechSaksham from 13.02.2023 to 15.02.2023.
- Participated in a 30 hours short term online course on “Machine Learning for Data Science using Python” organized by NIT Warangal in association with Center for Continuing Education from 25.04.2023 to 10.05.2023.

Dr. V.P. Sakthivel Assistant Professor

V.P. Sakthivel, K. Thirumal and P.D. Sathya, “Quasi-oppositional turbulent water flow-based optimization for cascaded short term hydrothermal scheduling with valve-point effects and multiple fuels” Energy(Elsevier), Vol. 251, p.123905, 2022.

IN ASSOCIATION WITH

Coimbatore CAD
Solution Pvt.Ltd

From 11 to 12 may 2023

Mr.G.Dinesh

Application Engineer

FACULTY ACHIEVEMENTS

Dr A Velmurugan,
Assistant Professor
Mechanical Engineering

published a book entitled Renewable Energy Sources in the year 2022 in collaboration with Dr. B. Rajan, Dr. S. Vijayabaskar and Dr. G. G. Raja Sekhar.

was appointed as the subject expert by Sona College of Engineering for framing the curriculum and syllabi for Mechanical Engineering to be offered in UG and PG programs under 2019 regulation in accordance with the Choice Based Credit System

Dr K Syed Jafar
Assistant Professor
Mechanical Engineering

published a paper in a journal Performance of TiO₂ nanofluids on the efficiency of a parabolic trough collector using a corrugated tube absorber with conical strip inserts.

Dr K Syed Jafar | Dr B Ramesh | Dr Arivazhan | Dr P Venkatesan | Dr A Thanikachalam
Assistant Professor, Mechanical Engineering published a book chapter entitled Design of Shapes and Joints in Recent Developments in Engineering Management Arts and Science in April 2023

PLACEMENT

(2019-2023)

Adithya K

Aditya, a Mechanical Engineering student has been placed in Bharatfits Verne Bangalore as graduate engineer trainee with 3.6 lakh per annum

Gokul G

Gokul, a Mechanical Engineering student has been placed in petrol 6 ENC Chennai as a Trainee Engineer with 3.5 lakhs per annum

Elavarasan C

Elavarasan, a Mechanical Engineering student has been placed in petrol 6 ENC Chennai as a Trainee Engineer with 3.5 lakhs per annum

Praveen Kumar B

Praveen Kumar, a Mechanical Engineering student has been placed in petrol 6 ENC Chennai as a Project Trainee Engineer with 3.5 lakhs per annum

PLACEMENT

(2018-2022)

Perarasan S

2018-22 batch MECH student got placed as Support Engineer in AdminDroid Solutions, Chennai with 4.20 LPA.

Jayapradeep J

2018-22 batch MECH student got placed as Gen C in Cognizant, India with 4.00 LPA

Swarna S

2018-22 batch MECH student got placed as Software Engineer in HCL Technologies Ltd, India with 4.25 LPA

Testing & Consultancy SERVICE

Testing & Consultancy Service was established in February 2018 for the benefit of Government and Non-government organizations to utilize the services offered by Department of Civil Engineering faculties. Around 1 crore revenue was generated through TCS during the period of May 2022 to May 2023.

Computerized Loading frame

Three Gang Consolidation Test (Digital) Apparatus

New sophisticated equipment's such as Rapid Chloride Permeability test apparatus, Three gang consolidation apparatus, Computerized Loading frame, Carbonation chamber and Total station etc., have been procured during the academic year 2022-23 amounting to 58Lakh

Rapid Chloride Permeability Test Apparatus

ASSOCIATION & CLUB ACTIVITIES

Hands on Training on Total Station 3rd may 2023

Total station is a sophisticated, surveying instrument. A one day workshop training on total station was given to the Faculties and Students of Civil Department of in and around Dharmapuri and Krishnagiri Districts on 3rd May 2023 so that they will get benefitted how to make use of Total Station.

Renovators' 2023

A one day intra college Technical symposium "Renovators' 2023" was conducted in the department where students presented papers, posters and participated in quiz.

The chief guest was Dr. Shoba Rajkumar, Hod and Professor, Civil Department, GCE, Salem. The Renovators proved to be a platform for proving the talents of students

Prof. A. Karthikeyan

attended Six-Day Faculty Development Training Programme on "PH-3151 – Engineering Physics" conducted in online mode by the Department of Physics at College of Engineering, Guindy campus, Anna University from 6.08.2022 to 13.08.2022.

Presented a research paper in the oral presentation session titled "Synthesis, Morphology and Electrochemical studies of Co₃O₄ nanorods for Supercapacitor applications" at the International Conference on Emerging Trends in Nanomaterials and Devices (CONMD-21) held from 2nd March 2023 to 3rd May 2023.

Presented a research paper in the oral presentation session titled "Synthesis, Morphology and Supercapacitor studies of Co₃O₄" at the International Conference on Applied Physics and Electronics in Future Technology (ICAFT-227) held on 11 March 2023.

attended A two-day offline Workshop on "Electrochemistry- Fundamentals to Applications" from 11th March 2023 to 12th March 2023, organized by the Division of Chemistry, School of Advancement, Innovation and Research (CHAIR), Vellore Institute of Technology

Karthikeyan.A, Mariappan.R, Gowrisankar.G and Krishnamorthy.E, "Enhanced photocatalytic degradation property of surfactant-free cobalt oxide nanocapsules on methylene blue dye", Eur.Phys.J.Appl.Phys. 98, 10 (2023).

Prof. S. Suganya

attended 4-week Faculty Induction/Orientation Programme for "Faculty in Universities / Colleges / Institutes of Higher Education" at Teaching Learning Centre, Ramanujam College, University of Delhi from 20.09.2022 to 19.10.2022 and obtained Grade A+.

attended Six-Day Faculty Development Training Programme on "PH-3151 – Engineering Physics" conducted in online mode by the Department of Physics at College of Engineering, Guindy campus, Anna University from 6.08.2022 to 13.08.2022.

Prof. S.Shankar

attended Six-Day Faculty Development Training Programme on "PH-3151 – Engineering Physics" conducted in online mode by the Department of Physics at College of Engineering, Guindy campus, Anna University from 6th August to 13th August, 2022.

Participated in One Week Capacity Building Program – Innovation Mentor organized by Government College of Engineering, Srirangam, Trichy between 12th September and 16th September, 2022

attended 4-week Faculty Induction/Orientation Programme for "Faculty in Universities / Colleges / Institutes of Higher Education" at Teaching Learning Centre, Ramanujam College, University of Delhi from 20th September to 19th October, 2022 and obtained Grade A+.

Chemistry

Department of Science and Humanities

Dr.C.Prathipa

presented a paper on "DFT and Molecular Docking studies on 1,3 Benzothiazol-2-yl-3 Benzoyl Thiourea (BTBT)" in the National Conference on "Smart and Advanced Materials for Biomedical Application (SAMBA -23) from 16 to 17th March 2023 organized by the Department of Chemistry, Periyar University

Maths

Department of Science and Humanities

Prof. P. Sivasubramaniyam

Attended one week Capacity Building programme- Innovation Mentor organized by Government College of Engineering, Tirunelveli from 01 September 2022 to 06 September 2022.

attended Twelve weeks online Faculty Development Programme on Complex Analysis Organised by NPTEL – AICTE during July – October – 2022.

Has completed 8 modules of AICTE

Dr. V. Karthikeyan

Limit Breakers

The Inauguration of Limit Breakers Maths Club was organized by Department of Mathematics, GCE Dharmapuri on 14/06/2022. The chief Guest was Dr. T. Govindan, Assistant Professor (Senior Grade) from GCE Bargur. The program was coordinated by Mr. P. Sivasubramaniyam, Assistant Professor, Mathematics Department. Dr. T. Govindan, the special guest insisted on the importance of flawless learning and critical thinking when working with mathematical concepts. Following that, there was a prize distribution for various events conducted like Pencil Drawing (Mathematicians) and Pencil Drawing (Mathematical Concept), Logo Making, Mathematical Puzzles, Mathematical Olympiad, Paper presentation.

English

Department of Science and Humanities

Prof. I. Ambiha

Attended a 5 day online FDP on "Inculcating Human Values in Technical Education" organised by AICTE from 3 rd April to 7 th April 2023

Co-ordinated Tamil Nadu State Government Sponsored Five-Day ONLINE Faculty Development Program On Learner Centered English Language Teaching which is organized by both Department of English, GCE, DPI and Faculty Development Training Centre of GCT, Coimbatore from 08-05-2023 to 12-05-2023

Dr. P. Premkumar

- Gave a guest lecture on Literature: The Invincible Art organised by the Literati: Literary and Debating Association (2022-2023) Department of English, VET Institute of Arts and Science, Thindal, Erode on 30 August 2022
- Acted as resource person on "Communicative Skills" for the first year students at Induction program in GCE, Salem on 22.11.2022
- Acted as the chief guest at a state level workshop on "English Literature for Competitive Exams: GET SET/NET GO" organised by the PG & Research Department of English Literature (UA) Gobi Arts and Science College (Autonomous) Gobichettipalayam on 24.02.2023

Faculty Development Program

Five-Day ONLINE Faculty Development Program On Learner Centered English Language Teaching

The Tamil Nadu State Government Sponsored Five-Day ONLINE Faculty Development Program On Learner Centered English Language Teaching was organized by both Department of English, GCE, DPI and Faculty Development Training Centre of GCT, Coimbatore from 08-05-2023 to 12-05-2023. This five day FDP targeted the English teachers of both Engineering and Polytechnic colleges in helping the present day tertiary English learners by empowering the faculty on the lines of learner centeredness. There were seventeen resource persons in total and all are very well qualified people. They threw light upon topics like four skills of English, learner autonomy, conducive classroom, 21 st century skills, curriculum for Gen Z, ICT, gamification, employability etc. The programme was co-ordinated by Mrs. Ambiha, Assistant Professor of English.

TRIFECTA '22

TRIFECTA 2022' was conducted jointly by Literary and Debating Society and Tamil Mandram as a part of 75 glorious years of India's Independence on 31 May 2022 at Dr. A. P. J Abdul Kalam auditorium. Dr. V. Sumathy, the Principal presided over the programme. The Chief Guests of the program were Dr. R. Senthil MS,Mch,FRCS, the Secretary Thagadur Book Council and Dr. C. Govindaraj, M.A., Phil., B.Ed., Ph.D., Associate Professor and Head of the Department of English, Periyar University PG Extension Centre, Dharmapuri. The Chief Guests jointly released the second issue of the Bi-annual news letter (January 2021 to April 2022) of our college. The Chief Guests jointly launched 'Teaching Turtle', an English Learning application developed by CSE II year students namely Sabareesh V, Mohammed Abubacker siddiq M, Sri Monish Raj S S, Yokeshwaran S, Sivashakthi, Sangeetha M, Kirithiga S, Rudhra, Abirami T, and Kokila. As a part of ongoing celebrations of 75 years of India's Independence, the winners of the various events conducted were distributed prizes and certificates.

ESKALERA '23

The Literary and Debating Society of the Department of English at Government College of Engineering, Dharmapuri, conducted a variety of competitions, including Drawing, Quiz, Debate, Speech, Paper Presentation, Photography, Short film, Rangoli, Craft, News Reading, Fireless Cooking, Advertisement, Meme, and Dance throughout the academic year. Followed by that a valedictory event themed 'ESKALERA'23' was conducted on March 21, 2023, at the A.P.J. Abdul Kalam Auditorium. Dr. N.K. Vivekanandhan, an Assistant Professor in the Department of English at Government College of Engineering, Salem was the Chief Guest of the programme. The Literary and Debating Society's event 'ESKALERA'23' provided an excellent platform for students to showcase their talents in literature, debate, and various art forms.

ENTREPRENEURSHIP DEVELOPMENT CENTRE

Entrepreneurship Development Centre was created with the mission to develop a Startup ecosystem that would impart the necessary skill development for product conceptualization to protocol development using additive manufacturing process. The EDC was so vibrant and has conducted so many events.

Events

- One week innovation mentor training program on 'Startup ideas worth Prototyping, Innovation Sandbox and Handbook, how to pitch and presentation IPR and drafting patents' was conducted in GCE, Salem from 01.08. 2022 to 05.08.2022.
- Under NALAYA THIRAN Project 12 problem statements were implemented under project based learning including smart waste management system for Metropolitan cities IoT based safety gadget for child safety monitoring and notification and deep learning image analysis for early detection of diabetic retinopathy.
- Guest lecture-Induction program for Polytechnic teachers on entrepreneur development cell was organized by Faculty development Training Centre, Government College of Technology, Coimbatore on 2.12. 2022
- An online zoom meeting was conducted on "Awareness Program on IVP and Overview on EDII Incubation Centre" on 04.01.2023
- Twelve Students have visited Forge Fort (Force Of Rapid Transformation), Hosur as a part of industrial visit to gain initial exposure to the state of art facilities at the SIPCOT innovation ecosystem of Hosur
- Eleven students are taking internship at FORT, Hosur under 'ProtoSem Program Under Innovation Practicum'.

FACULTY ENRICHMENT PROGRAM

FORGE

Your Innovation & Growth Partner

Forge is catalyzing national-scale industrial digital transformation by enabling Government and Industry to collaborate with Start ups as Innovation & Growth Partners. By combining industrial innovation labs, innovation grants, startup seed capital, knowledge resources & program management capabilities, and global partner networks, Forge drives startup success.

Prof.A.Vinod, M.E.,

Participated in the program

ONE WEEK

INNOVATION MENTOR PROGRAMME

@ GCE Tirunelveli from 1st Sept 22' to 6th Sept 22'

In a Innovation Mentor 5-day program designed and delivered by Forge, the Educators were able to learn core skills involved in innovation and entrepreneurship, aimed at providing actionable awareness of the systematic process of developing ideas into market ready products and launch ready businesses.

The participants were able to learn through case studies, group activities, individual exercises, and through guidance from mentors on how to think about the Idea to Business journey in a structured way, how to validate the potential of a product in the market, how to prepare for launch, how to make revenues predictable and profitable, and confidently kill off any doubts once and for all.

In 5 days the educators learned about the steps involved in turning an idea into a PRODUCT IDEA & a BUSINESS IDEA, designing a BUSINESS Model and preparing a BUSINESS PLAN for execution and launch.

The program offers substantial skills and competencies developed in the areas of ,problem validation, customer discovery, prototyping tools and techniques, design thinking, innovation, business idea/model generation, business idea pitch preparation & presentation etc.

The Staff members came to know PRODUCT IDEA & a BUSINESS IDEA, Designing a BUSINESS Model and preparing a BUSINESS PLAN for execution and launch details to enrich the skills of employability of the students.

We are thankful to the Commissioner of Technical Education, Tmt. Laxmi Priya I.A.S, and Principal, Dr.V.Sumathy, Ph.d, for giving us this opportunity to attend this informative Industrial Training Programme.

VVDN Technologies Private Limited, Pollachi has conducted one week industrial training program on Electronic Industry Orientation Programme (IOB) for the Faculty of Government Engineering Colleges and polytechnic colleges from 25th July 2022 to 29th July 2022.

◆ PLACEMENT CELL

The placement cell is so vibrant working towards 100% placement by honing the technical and soft skills of students. To make them industry ready, the college has MoUs with 9 industries. Corporate trainers and personalities are invited for talks and workshops throughout the year to build the confidence, and chisel the students for desired results. To instil the right attitude in the students, career guidance and career support are given in the campus at regular intervals. Mr. Kripa Shankar, Assistant Professor of Computer Science Department did an enormous job to bring a mass achievement. For the 2018-2022 batch students, 22 companies visited the campus for placement, and the TOTAL OFFERS were 161, minimum salary package is 3 LPA and maximum salary package is 21.35LPA. For the 2019-2023 batch students, 12 companies visited the campus for placement, and the TOTAL OFFERS were 21, minimum salary package is 2 LPA and maximum salary package is 7 LPA

M.DUVINS KUMAR , MECH 3 RD YEAR

won the FIRST place of the State Level Throw Ball Championship - 2023 held at Erode.

The girls volleyball team won the THIRD place in the Anna University Sports Board Zonal Volleyball Tournament 2022- 2023 held at Narasu Sarathy Institute of Technology, Poosaripatty on 11.11.2022.

The boys volleyball team won the THIRD place in the Anna University Sports Board Zonal Volleyball Tournament 2022- 2023 held at Narasu Sarathy Institute of Technology, Poosaripatty on 27.11.2022.

»»» The boys Kabadi team participated in the Anna University Sports Board Zonal Kabadi Tournament 2022- 2023 held at Dhirajlal Gandhi College of Technology, Omalur on 07.11.2022. .

««« The boys chess team won the **FOURTH** place in the Anna University Sports Board Zonal Chess (Men & Women) Tournament 2022- 2023 held at Government College of Engineering, Burgur on 3.12.2022.

»»» The boys Football team participated in the Anna University Sports Board Zone VII Zonal Football Tournament 2022- 2023 held at Adhiyamaan College of Engineering, Hosur on 04.12.2022.

The athletic team participated in the Anna University Sports Board Zone VII Zonal Athletics 2022 - 2023 held at Adhiyamaan College of Engineering, Hosur on 14.12.2022. In Javelin Throw Kalyamoorthi of II year CSE got FIRST place throwing 44.64 meter. In 20 km walking, Kathirvel of II year CIVIL got FIRST place

J.P. Pavithra Roshini of I year CSE won the FIRST place in the Anna University Sports Board Inter Zone -52 kg Category Judo Competition 2022- 2023 held at Padvai Engineering college, Namakkal on 17.12.2022. Even though she is the only participant from GCE, Dpi, she came out with flying colours by scoring highest average points.

Abisivashankari of II year Civil Engineering participated in the Anna University Sports Board Zone VII Zonal Karate Competition 2022- 2023 held at Kumaraguru College of Technology, Coimbatore on 24.12.2022

The handball team participated in the Anna University Sports Board Zone VII Zonal Handball Tournament 2022-2023 held at Knowledge Institute of Technology on 08.01.2023

The foot ball team who participated in the Chief Minister Trophy in 17.02.2023

The athletic team who participated in the Chief Minister Trophy in 18.02.2023

The girls team of Government College of Engineering, Dharmapuri won FIRST place in all College level in the Chief Minister Trophy (2023) and received Rs. 36000 as prize money, certificates and medals

The beach volleyball team who participated in the Chief Minister Trophy on 01.03.2023 at Cuddalur

AESTIVAL SPORTS DAY 2K22

A magnificent sports extravaganza AESTIVAL SPORTS 2022 was organized at Government College of Engineering, Dharmapuri on June 4, 2022 where the Principal Dr.V.Sumathy hoisted the flag. Followed by lighting the torch the oath was taken. The sports started with 100m for both boys and girls. In the afternoon in the presence of honorable chief-guest Shri. S.Vinoth, D.S.P Dharmapuri, prizes were distributed for the various games and events conducted for students, staff and workers. The Overall winners Red Team was provided with the trophy and the game coordinators and the best players were honored by the chief-guest.
