

Government College of Engineering Dharmapuri
Department of Mechanical Engineering

STUDENTS ACHIEVEMENTS

INTERNATIONAL CONFERENCE (V. Navanith and U. Gowtham)

Experimental investigation on cotton seed oil derived fuel by catalytic cracking process in Di diesel engine in "International conference on recent trends in Aero Science and Engineering & Technologies (Techzilla '19) on 06.09.2019. (BEST PAPER AWARD)

Evaluation of engine performance on biofuel from vegetable oil through catalytic cracking process in DI diesel engine in "3rd international conference on technology advances in mechanical engineering " organized by the department of mechanical engineering, AMET on 19 &20 sep 2019 at AMET deemed to be university Chennai, India.

International conference on technology advancements in Materials, design, manufacturing and energy sectors (ICTAMDME'S'20) on 20 & 21Feb 2020.

NATIONAL CONFERENCE (V. Navanith and U. Gowtham)

Production and characterization of the biofuel obtained by catalytic cracking using fly ash catalyst on DI diesel engine in "The national conference on RIWASE -2019" held from 26 to 27 July 2019 organized by department of mechanical engineering,government college of engineering, BARGUR .

Experimental investigation on cotton seed oil derived fuel by catalytic cracking process in Di diesel engine in "The National conference on Energy Science and Technology (NCEST '2020) organized by the department of energy science, Periyar University, Salem held on 4th March 2020

NATIONAL CHAMPIONSHIP FOR WRESTLER

- Gokulkrishnan (Alumni of GCE / 2015-19 BATCH) Won silver medal in National championship for wrestler in Jammu and Kashmir.

FOREIGN TECHNICAL TRAINING PROGRAMME (FTTP)

The selected list of students for the FTTP are

- PAVITHRA.K from 2014-18 batch went to Taiwan country.
- MANI. D from 2016-2020 batch, but the program was not conducted as planned due to covid.
