

GOVERNMENT COLLEGE OF ENGINEERING, DHARMAPURI – 636704
DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING
REPORT ON INAUGURATION FUNCTION

Title: Inauguration of Association of Electronics & Communication Engineers (AECE)

Date: 22-08-2025 (Friday)

Time: 3:00 PM

Venue: ECE Seminar Hall

Chief Guest: Dr. R. Dhanagopal, CEO, Edigim Research Pvt. Ltd.

Convenor: Dr. N. Ameena Bibi, HOD/ECE

Association In-charge: Prof. A. Vinod

Dignitaries Present:

Dr. V. Sumathy, Principal

Dr. S. Senthil Kumar, Vice Principal

Faculty Members of ECE Department

Objective:

The inauguration function aimed to formally commence the activities of the Association of Electronics and Communication Engineers (AECE) for the academic year 2025–2026. The event sought to provide a platform for students to engage in technical, cultural, and innovative activities. It also served as an opportunity to inspire young engineers by interacting with eminent personalities from industry and academia.

Description of the Program:

The inauguration of the Association of Electronics and Communication Engineers was held on 22nd August 2025 at 3:00 PM in the ECE Seminar Hall. The program began with Tamil Thai Vazhthu, followed by the Lighting of the Lamp ceremony by the dignitaries.

The gathering was welcomed by Prof. A. Vinod, Association In-charge. **Dr. V. Sumathy**, Principal, delivered the Presidential Address, highlighting the importance of continuous learning and active participation in association activities.

Felicitations address was given by Dr. S. Senthil Kumar, Vice Principal, who encouraged students to utilize the association platform to develop leadership and technical skills.

The Introduction of the Chief Guest was delivered by **Dr. N. Ameena Bibi**, HOD/ECE.

The Chief Guest, **Dr. R. Dhanagopal**, CEO of Edigim Research Pvt. Ltd., addressed the gathering with an inspiring speech on the latest trends in electronics, circuits, and communication technologies and an MoU is signed with Edigim Research Pvt. Ltd. He emphasized innovation, industry readiness, and entrepreneurship among engineering graduates.

As part of the program, prizes were distributed to students for their achievements in academics and co-curricular activities. A video presentation showcasing the journey of the department and association activities was also displayed.

The inauguration concluded with a Vote of Thanks delivered by a faculty coordinator. On-the-spot events and interactive sessions were also conducted for students, making the program lively and engaging.

Outcome:

The inauguration function was a grand success. Students were highly motivated by the words of the dignitaries and the Chief Guest. The event set a positive tone for the upcoming association activities and created enthusiasm among students to participate in technical and cultural initiatives throughout the academic year.
