

Government College of Engineering, Dharmapuri 636 704
Naan Mudhalvan Mandatory Courses (Odd Sem 2022-2023)

S. No.	Dept	Mandatory Course Name	Total Students/Course
1.	ECE	IOT (Hybrid) by Skills Da	27
		AR/ VR (Hybrid) by Ingage	15
		Cyber Security (Online) by Infosys Springboard	12
2.	CSE	Cloud Essentials (Online) by Veranda	22
		Big Data (Online) by Veranda	21
		Full stack (Online) by Infosys Springboard	13
		Machine Learning with application to object recognition (Online) by Infosys Springboard	7
3.	EEE	Smart Energy Grid (Online) by Coursera	24
		Electric Vehicle charging system (Online) by Coursera	29
		Machine Learning (Online) by Infosys Springboard	27
4.	MECH	Industry 4.0 (Hybrid) by Skill-Lync	26
		Robotics (Hybrid) by SkillSonics	16
		Electric Vehicle (Online) by Coursera	24
		Machine Learning (Online) by Infosys Springboard	48
5.	CIVIL	Building Information Modeling (Online) by L & T Edu Tech	29
		Transportation Infrastructure (Online) by L & T Edu Tech	28
		Design and construction of Steel buildings (Online) by L & T Edu Tech	21
		High Rise Building Design (Online) by L & T Edu Tech	20

6.	III SEM All Branches	Microsoft Office Fundamentals	277
7.	I SEM All Branches	Cambridge English Course	259
Total Students			945

Total 20 courses completed by 945 students in odd sem of 2022-23 session.

Government College of Engineering, Dharmapuri 636 704
Naan Mudhalvan Mandatory Courses (Even Sem 2022-2023)

S. No.	Mandatory Course Name	Total Students/Course
1.	Robotic Process & Industrial Automation	89
2.	Block Chain Development	34
3.	Digital Marketing	32
4.	Foundation for AI, ML, FS	9
5.	Network Essentials	75
6.	Product Design Engineering & Modelling	38
7.	Network Engineering	25
8.	Electric Vehicle Design	16
9.	Professional Readiness for Innovation, Employment & Entrepreneurship	69
10.	Smart & Advanced Manufacturing - Design & Simulation	34
11.	Sustainable Building Design	56
12.	Electric Vehicle Charging System Design	28
13.	Embedded System for Industrial Application	23
Total Students		528

Total 528 students are doing 13 courses for the even sem of 2022-23.

Government College of Engineering, Dharmapuri 636 704

TCS iON Course - 2022-23 Academic Year

S. No.	Mandatory Course Name	Total Students/Course
1.	Applied cloud computing	13
2.	Machine learning for real-world application	13
3.	Artificial intelligence for real-world application	7
4.	Data analytics and reporting	6
5.	Advanced cyber security - an application approach	5
6.	IoT and its applications using Raspberry Pi	7
7.	A practical approach to cyber security	3
Total Students		54

Total 7 courses completed by 54 students in the 2022-23 academic year.
